

Grade 9 Orientation Information

Our Grade 9 Orientation will be **August 30, 2018**. This is an opportunity for our new Grade 9 students to meet with their mentor, pick up their timetable, locate their locker and tour the school prior to the first day on September 4th. Students should plan to bring a Dudley combination lock for their locker. Students are welcome to join us for lunch at 11:30 a.m.

Parents are welcome to meet Corpus Christi administration in the Atrium anytime during the Orientation. Feel free to ask any questions – especially if being part of a high school community is new for your family!
